

Do you struggle with **motion sickness** when riding **in a car**? Are you tired of not being able to use your travel time more effectively? Then we are looking for you!

Become part of our study and help us put an end to motion sickness. Sign up and help us innovate the **Future of Mobility!**

Prerequisites:

- You regularly suffer from motion sickness to some degree (dizziness, nausea or discomfort).
- You are available for two 30 minute time slots.
- The test ride can take place in the period from **22.04.-02.05.2019**.

Procedure:

- Use the following link and let us know your desired dates/time slots:
<https://doodle.com/poll/trx98394v2gyzeqz>
- Choose two different time slots (at least **2-hour break** in between).
- Duration: **2 x 30 minutes**.
- **First ride:** getting to know you and your motion sickness without our prototype.
- **Second ride:** you will hopefully have a pleasant ride with our innovative prototype.
- Start of test ride: Garching-Forschungszentrum.
- End of test ride: Garching-Forschungszentrum.
